

Southeastern Technical Institute

Massage Therapy Program

Looking for a Career?

Have you considered the Exciting,
Challenging, Fast Growing field of
Massage Therapy?

Massage Therapy, Part-Time - Evening Program

Earn a certificate in less than a year.

Learn 6 styles of massage

plus special techniques for working with athletes, special needs, and elderly clients,
methods for stress management and injury recovery, as well as modalities for
working in settings such as spas and chiropractic offices

Approved by the Massachusetts Board of Massage Therapy

In addition, the curriculum satisfies requirements of membership with the
Associated Bodywork & Massage Professionals (ABMP).

The instructors have over 20 years of experience in training massage therapists
through the Wellness Resources Center of Dartmouth, Massachusetts. Additionally,
all of the instructors are licensed, practicing Massage Therapists, several are
internationally known and respected.
